

„Tired and scared of the endless line of trucks waiting to be unloaded? Unlock the full potential of your warehouse with a dock scheduling solution! With **AIM PARTNERS** powered by ALPEGA Smart booking“

SMART BOOKING

Challenges you may be facing:

- CHAOS DUE TO ENDLESS LINE OF TRUCKS (LACK OF VISIBILITY, WRONG DOCKS ETC.)
- LONG WAITING TIMES FOR UNLOADING
- LONG WAITING TIMES FOR LOADING
- DELAYED DELIVERY
- HIGH INVENTORY
- HIGH TRANSPORT COSTS AND DEMURRAGE FEES

Let AIM PARTNERS experts help you to book the perfect slot for your carriers. Smart scheduling with configurable rules based on goods types and other parameters. With AIM PARTNERS powered by ALPEGA Smart booking you are always online and can stop paying for demurrage.

You can streamline the daily work and time management of your warehouse. You get a full overview of your daily agenda, delays and changes - all in one centralized tool. This increase productivity and better distribution of resources, reduce waiting times. Furthermore the report analysis with detailed analysis of KPIs and performance is included.

Are you interested in the tailor-made solution bringing you all the benefits mentioned above? And all this without necessity to have your own complex booking tool and trained staff? Contact us – we know how to apply the right solution for you.
