

„Put an end to the inefficiency and endless search for a proper carrier and enjoy all benefits of digital procurement of Freight services via **AIM PARTNERS** powered by ALPEGA TenderEasy“

TENDEREASY

 **AIM PARTNERS**
AUTOMOTIVE INTERIM MANAGEMENT

Challenges you may be facing:

- NO STANDARDIZED RFQ PROCESSES
- INCORRECT SELECTION OF LOGISTIC PROVIDERS
- NO CONSOLIDATED VOLUME OF REQUESTED TRANSPORTATIONS
- OVERINVOICING FOR TRANSPORTATION
- NO TECHNICAL SPECIFICATION OF SHIPMENTS AND TRUCK TYPES NEEDED
- NO SYNERGIES BETWEEN PLANTS

When cooperating with AIM PARTNERS and its know-how you gain flexibility, 100% compliance, perfect transportation data quality, and quickly identify the best deals for your company. We use reverse auction by Tender Easy to help you run large RFQ's with advanced scenarios and analytics or just set up simple Spot request within seconds. Communication with carriers has never been easier.

Enjoy up to 10% transportation rate reductions. As experts in the road freight, we can quickly identify potentials in your transportation network.

Are you interested in the tailor-made solution bringing you the most efficient method to select the logistic suppliers? And all this without necessity to have your own complex analytics tool? Contact us.
